## 50<sup>TH</sup> ANNIVERSARY SHELBY COBRA 427 S/C

In 1965 Carroll Shelby put everyone on notice that he was ready to answer any challenge. The small block Daytona coupe won the World Manufacturer's championship and the 427 Cobra was born to dominate on the track and street. It was an immediate success dominating the "A" Production class in SCCA and winning championships for several years running. It was truly America's first Super car.

This is the one we have waited for!! To celebrate it's 50 year anniversary Shelby American will offer a limit of only 50 427 anniversary Cobras.
